Caloocan City, Philippines • +(63)920 595 9434 • normandkarol.mendoza@ust.edu.ph

PROFESSIONAL SUMMARY

A dedicated and results-oriented Computer Science student with experience in publication management, student organization work, event coordination, and logistics support. Demonstrated leadership as an Editor in Chief for News Writing, where I guided writers, reviewed articles, and helped maintain the quality and consistency of published content. I have also contributed to student activities through UST Hiraya and the Computer Science Society, supporting event preparation, coordination, and on-site operations. Eager to apply my communication, teamwork, and organizational skills to contribute to a dynamic student organization or professional environment.

EDUCATION

Bachelor of Science in Computer Science, Major in Data Science
University of Santo Tomas

Aug 2025 - Present

Science, Technology, Engineering and Mathematics Strand
Notre Dame of Greater Manila

2023 - 2025

SKILLS

- Effective communication and collaboration skills for working productively with teams and building strong professional relationships.
 - Leadership and team management developed through editorial and organizational roles.
 - Event coordination and logistics support, including preparation of materials, venue readiness, and operational assistance.
 - Adaptability, problem-solving, and conflict resolution through active listening, empathy, and responsiveness to changing priorities.
-

ORGANIZATIONAL EXPERIENCE

Event Management Member - UST Hiraya

2025 - 2026

- Assisted in planning and executing organizational events by supporting event preparation, coordination, and on-site operations.
- Worked with team members to organize timelines, handle event requirements, and help ensure the smooth implementation of activities.
- Contributed ideas during planning discussions and helped improve participant experience through effective coordination.

Logistics Staff - Computer Science Society (CSS)

2025 - 2026

- Supported the logistics operations of CSS activities by assisting with event materials, venue preparation, equipment coordination, and resource management.
- Collaborated with committees to ensure operational readiness before and during events, while adapting to changing event needs.

News Writer - Rotaract

March 2025 - September 2025

- Created written content for organizational initiatives and events while ensuring clarity, accuracy, and alignment with publication standards.
- Collaborated with team members to gather information, develop stories, and support communication efforts.

Editor in Chief - News Writing - Ang Bughaw at Bulawan

2023 - 2025

- Led and managed the News Writing team by supervising writers, reviewing articles, and maintaining the quality and consistency of published content.

- Coordinated with fellow editors and contributors to meet publication deadlines while improving article structure, accuracy, and presentation.
 - Developed leadership, communication, and editorial decision-making skills through managing team workflows.
-
